The Children's Hospital of San Antonio presents:

Pediatric Fundamental Critical Care Support (PFCCS)

PFCCS is a structured course developed by the Society of Critical Care Medicine (SCCM). SCCM offers a course completion card to those who successfully complete the course.

The PFCCS curriculum is intended to introduce principles important in the initial care of critically ill/injured pediatric patients. Candidates include physicians, physicians-in-training, nurses, and other health care providers who may or may not be skilled in critical care, but who must care for such patients during early stabilization and in anticipation of the arrival of an intensivist or specialist, or pending transfer to a tertiary center.

FEATURING

The program includes in-depth and comprehensive two-day program using a balance of didactic lectures and hands-on skill stations to include pre- and post-testing.

CONTINUING EDUCATION CREDITS

Physicians: CHRISTUS Santa Rosa Health Care is accredited by the Texas Medical Association to provide continuing medical education for physicians.

CHRISTUS Santa Rosa Health Care designates this live educational activity for a maximum of 14.5 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity provides 15.75 contact hours.

CHRISTUS Santa Rosa Health System is an approved provider of continuing nursing education by the Texas Nurses Association – Approver, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
