President's Corner

Howdy Fellow SCCM Texas Members!

A most challenging start of 2020 is nearly behind us, and I trust this message finds you safe and well. I sincerely hope each of you are doing well and are to keeping your families and yourselves safe in pandemic 2020. Given the issues surrounding the pandemic and social distancing, our educational programming has been limited. We are planning, once the recommendations are safely relaxed, to restart programming. The chapter also delivered treats to various ICUs across the state to show appreciation to our front-line workers. The Chapter is slated to award the **second annual Joseph L. Nates, MD, MBA, MCCM Research Grant**, a \$4000 award to fund clinical research designed to enhance the care and outcomes of critically ill patients. The deadline for submission is **June 15, 2020**.

Planning for the event of the year, the **9th Annual SCCM Texas Chapter Symposium**—“Closing the Knowledge Gap”, is ongoing. This year’s symposium will be hosted by the San Antonio region. The symposium is currently set to be held **September 25-26th, 2020**, at Children’s Hospital in San Antonio. The Symposium Committee is working to arrange the excellent speakers and educators you have come to expect. Lewis Kaplan, SCCM’s president will deliver the keynote address. We are planning to also have a community outreach program pre-symposium. Further details will be updated on the web and social media.

In closing, I want to say **a huge ‘thank you’** to all you providers. The first half of the year has been incredibly challenging and stressful. I appreciate all your hard work during the COVID-19 pandemic on the front lines. Also, a special ‘shout out’ to your leadership team for the additional efforts in ensuring you receive continued value of your membership. Remember to follow us on the web and social media (Twitter-@sccmtxchapter, Facebook, and Instagram-sccmtxchapter) for updates. As always, please reach out to us with any questions, concerns and your feedback on how we can improve YOUR chapter!

Until next time, stay safe,

***Darrell E. R. Alley, MD, MBA, FACS, FCCP, FCCM,
President, SCCM Texas Chapter 2020***

She has just completed her Masters in Biomedical Informatics from UT-SBML. She was the recipient of the 2019 SCCM Outstanding Member Award - Houston Area, and the SCCM Texas Chapter Professional Development Award. She has been volunteering as the SCCM Texas Chapter Houston-area Communications Coordinator since 2016.

Ashley Selby is our **DFW Communications Coordinator and Awards Committee Chair**. Ashley is an Assistant Professor at Texas Tech University Health Sciences Center Jerry H.
